

Information Security Policy

Policy ID: SEC-002 | Effective: July 2026 | Owner: Information Security

Portfolio-use notice: This is a fictional enterprise policy created solely for educational, testing, and portfolio demonstration purposes. It does not represent the practices of a real organization.

1. Purpose

This policy establishes minimum information-security requirements for employees, contractors, devices, systems, and company data.

2. Data Classification

Classification	Examples	Minimum Handling
Public	Published marketing content	No special restriction
Internal	Internal procedures and nonpublic operational data	Share only with authorized personnel
Confidential	Customer data, employee records, financial data	Encrypt in transit and at rest; least-privilege access
Restricted	Credentials, encryption keys, regulated sensitive data	Approved systems only; enhanced monitoring

3. Password and Authentication Requirements

- Passwords must contain at least 14 characters unless a system enforces a stronger standard.
- Multi-factor authentication is required for email, VPN, cloud platforms, and privileged access.
- Passwords may not be reused across company and personal accounts.

4. Device Security

- Company devices must use approved endpoint protection, disk encryption, and automatic screen locking.
- Security patches classified as critical must be installed within 72 hours of release or availability.
- Lost or stolen devices must be reported to the Service Desk and Security within one hour of discovery.

5. Incident Reporting

Suspected phishing, malware, unauthorized access, accidental disclosure, or other security events must be reported immediately through the Security Incident portal or by calling the 24-hour Security Hotline.

6. Access Reviews

Managers must review access for their teams quarterly. Access must be removed within 24 hours after an employee or contractor separates from the company.

7. Enforcement

Violations may result in access suspension, disciplinary action, termination of employment or contract, and legal action where appropriate.
